

# Playing With Fire

## Week 1

**Bottom Line:** **Your words can be a weapon.**

Have you ever watched a fire spread? If you have, then you know just how quickly it can get out of control. The same is true when it comes to our words. In fact, James tells us that our words can be just as powerful as fire—a weapon that we must learn to control.

## Week 2

**Bottom Line:** **Don't keep your nice thoughts to yourself.**

If you had something great—something that had the power to change the course of someone's life—you'd share it with them, wouldn't you? Well, believe it or not, you do. As we look at the way Solomon views our words, we'll realize the potential we have to change lives when we refuse to keep our nice thoughts to ourselves.
